

Competition Report

Annual Meeting, October 27, 2022

Submitted by Stephanie McBee for Karen Johnson

There were 14 RLGA COMPETITIONS! We started this year on March 1st and went through September 30. Each competition lasted two weeks and for each competition 2 Gross winners and 4 Net winners were paid. Any players that tied, monies were distributed evenly depending on the placement.

It is imperative that your scorecard is legible! If the numbers or names cannot be read it is discarded. Please write the names (first and last) so she can read it and verify.

A gigantic thank you goes to **Stephanie McBee** who took over the Competitions in mid-season! Thank you, Stephanie McBee, for a job well done and being willing to help Karen out. Karen was so appreciative!
