### **Treasurer (Dawn)-**

- Brought to question no longer accepting checks for membership, all agreed that it is much easier to no longer accept checks
- Other memberships pay through WAgolf but it is an additional \$5.
- Men's club can pay through their website somehow for both the membership and tournaments
- It's easiest to call and sign up for membership and tournaments after 4pm to the pro shop
- No more Zelle or Venmo
- The way to pay is to either call the pro shop or pay through WAgolf
- Dawn is thinking of keeping track of the Riverbend book money for people since there isn't a real system for it.

### **Membership (Carol)-**

- \$80 for renewing members, \$85 for new members
- Should there be a social membership option? No, because WAgolf benefits so many programs to try and keep the game of golf alive. Out of the \$39.00 for GHIN, only \$10 is actually for GHIN and the remaining is to help member clubs.

- Tee boxes for tournaments, can people pick and announce their tee box? No, Stephanie (Tournament Director) will choose the tees for each tournament in accordance with By Laws.
