Carol Logan (membership):

+Member Social went really well! 43 showed. Some things to change for next year, get walls on the tent, and think about the number of ladies that eat salads and account for that when having a taco bar. Spent a little over \$400. There was \$225 raised to go to Union Gospel Mission.

+There are 133 total members and 14 associate members.

+We need to work out a possible sheet to opt in or out of e-mails and having your information available for members.

Stephanie Ticknor (Tournaments):

+Last weekend went well.

+People can sign up to play during the tournaments without actually playing in the tournament for prizes.

+Welcome a friend is coming up next week. Do we need to buy a gift for friends (last year was a cooling towel), determined no.

+Club Championship: What do we want the prizes to be? Flask? Wine Glass?

-Do we pay for the meal?

-Deadline July 3rd to order items

-Provide appetizers? May not do well because people get so far apart.

Leann Harris (competitions):

+Getting a lot of support for recognition program.

Old Business:

+Send out a code of conduct for people to look over before sending it fully out to all of membership. A draft has been made.

New business: Trying to find a place for the annual RGLA end of year meeting. Member home or best western conference room. Checking on price and food.

Meeting to end: 7:02pm

Next meeting: July 17th, 2023 @6pm
